Club Activities

Here are some photos taken at Mark Warner's picnic Fly-In. A stiff wind made his one-way strip call for a downwind takeoff, but landings were easy. Plenty of good food. After all this, some pilots flew to North Bass Island for more food.

Mark handling the grill

He had a nice turnout.

A gathering at Sky Park

Gerald Jackson held a little get together at his hanger at Sky Park. Looks like a few members accepted his hospitality and hamburgers...

Challenger Delivered—Mission Accomplished!

Mark Warner had the opportunity to ferry a clipped wing Challenger to New York and had a great flight

Member News & Reports

AWOS at Portage County

AWOS (Automatic Weather Observation Service) is in a testing period. It provides weather updates in real time and is available by phone (1-330-298-9353) or by radio (118.675). Please keep in mind that this is only in it's testing phase and should not be depended upon. Further updates will be passed along as we hear about them.

2008 is Winding Down

The 2008 flying season is winding down with only October's and November's meeting left to attend. The weather has been great lately, excluding that little visit by "Ike".

Make sure you get those end of the season trips completed safely and send in pictures of them. The leaves will soon be changing and always make for spectacular images.

Now would also be a good idea to start making a list of those things you have been noticing that need attention and start getting your supplies together for those "Winter Projects". (Yes, I said winter. We have gotten snow for Halloween in the past...)

Hanger Space for Rent

I received another e-mail about space available at another airport, so I will keep listing the information below...

Fairview Airport is just about finished with there new hangars and will be looking to fill them. These have gravel floors and rumor has it that they will be renting for about \$110—\$115 a month. Contact Bob Essell for more information at 330-612-2561

Community hangar space/storage available at Miller Airport (4G3, just west of Barber, south of Berlin Lake). \$100/month. Ultralight/Sport Pilot friendly. Contact Cindy or Bill at 330-584-3775.

Hats Now Available with the Club Logo

We now have hats with the club's logo on theM and are selling them for \$10. Stop by our meeting and see about getting yours.
