## Member News & Reports

### **Very Quiet this Past Month**

It has been very quiet on the news front. I know that people have been doing some flying, such as the Chili Fly-In at Sunset Strip. A few of the membership arrived by plane and some by car.

This is one of the last Fly-Ins that happen in a season and they got a pretty good turnout. As the weather begins to turn cold, many people just do not get out, especially those in an open design like the Aircamper below.

What ever it is that “gets you high” - make sure you get out and commit some acts of aviation. Take some pictures, write some notes. Then send everything to me so it can be shared with the club.

Remember that the newsletter belongs to you. I can only publish the stories that people share with me.

### **Final Meeting of the Season**

It's hard to tell which meeting has a bigger turnout—The April meeting or the November meeting. Depending on the year, the numbers shift back and forth. What ever the turnout, they are always a good time. People of similar interests gathering to talk about what is planned at the end of the year and talk about got accomplished at the beginning of the year.

As you make plans to attend our final meeting, bring along pictures, stories, dreams and an appetite. All are welcome and the food that Jason serves is always excellent and generous.

### November Activities and Beyond

Saturday November 6: Last North Coast Lite Flyer's meeting of 2010 @ 6:00 PM at Comfort Cafe in Mantua, Ohio just north of the Turnpike.

That's it. There ain't no more!
