## News Letter Converts Back

The cost of producing the newsletter has made it necessary to convert back to the tri-fold format. I will continue to research ways of cutting the cost of printing. Should anyone have any ideas, please let me know.

## Annual Picnic to be held at Yoder's

Forest Yoder has again allowed us to hold the Jonathan Gamble Memorial Picnic at his beautiful airport in Louisville, Ohio. This will take the place of our monthly meeting on August 2nd, 2008, and will begin at 3:00 with burgers and hot dogs being served about 4:00. Family fun for everyone and, if the weather works with us, plenty of aircraft.

Speaking of aircraft, Forest has been hard at work on his Fokker D7. Engine mounted, wings on. She is really looking good now. You can almost picture him at the controls, smiling with a leather cap, goggles and a white scarf blowing in the breeze.

## Member News & Reports

### **Shenandoah Air Park FBO To Close**

May 24, a small flight of NCLF's elite made one of the last fly-in's to be held at Shenandoah Air Park for their breakfast fly-in, your intrepid newsletter editor included. The weather was a bit cool, but sunny and calm. A perfect time to gather with friends and commit some acts of aviation. The pancakes and sausage were great, but the coffee really hit the spot after the brisk flight.

We were informed that reasons of insurance were the stated cause of closing the FBO, but there were also rumors that the owner just does not want to have the airport on the land anymore. This displaces the Shenandoah Flyers as they are now looking for another home. Best or luck to them.

### **Flight of Four to Graham and New Phili**

I need to extend a special thanks to Don James for a memorable weekend of aviation. It started on Saturday 5/24 to Shenandoah, and then on Sunday 5/25 to Graham and then on to New Phili.

What a great way to spend time with friends: Fly, eat, fly again, eat again, and then fly some more. Don even let me handle the controls for a time on the way out to Graham Field.

For those who don't usually attend the fly-ins, you don't know what you are missing!

### June Activities

**Saturday, June 7—Cortland, Ohio:** Hot Dog Fly Out at Nuss' airport, please bring a covered dish. Hot dogs and hamburgers will be provided. Airport Coordinates N41.19.457 W80.47.550

**SATURDAY JUNE 21: Bob May's annual FLY-IN or Drive-In with burgers and dogs. 1D4**  
Located at Mayfield Airport 2571 Myersville Road, Uniontown, Ohio. ( Near Killian Road and right on the 5 mile line or Akron Canton, so stay low as possible.) Fly your pattern to the north side of the runway. Runway is hard to see unless you are lined up with it. 2500 feet sod ....East-West  
Starts at 11 AM and runs till everyone gets tired!  
Longest day of the year, so plenty of light to fly home before dark. Good place to see Ultralights and light Sport Aircraft. Drive-Ins please bring a dish to pass.
