## Member News & Reports

### New Meeting Location for the North Coast Lite Flyers

Jason, the smiling face of the Comfort Café, announced at April's meeting that they would be closing. "Economic Hard Times" was given as the reason as they just could not get enough customers to maintain the business.

Jason went out of his way every month to make sure we had a quality meal at a fair price. He showed that again by contacting the owners of Big T's Diner in Streetsboro to see if we could be relocated. They have allowed us to move, so beginning with the next meeting in June, we will hold our meetings there. Here is their location and phone.

Big T's Diner  
9086 State Route 14 # B  
Streetsboro, OH 44241-5620  
(330) 626-4705

A big "Thank You" goes out to Jason and everyone involved there for all that they have done for our group and in making us feel welcome each and every month. We wish him well with his new job at Panini's Bar and Grill.

My family and I checked them out and the food was great. They are going to offer the entire menu for us to order from, and I can tell you that it is not a 10 item place. I will be posting a PDF of the menu as well as a google link to the place so people can get driving directions. There is also a picture of the location on google maps on the cover of this edition of the Lite Sport Flyer. Look for it on the clubs website, <http://www.liteflyers.org>.

### Tigercub Set Free to Roam the Countryside

Robert Taylor had an adventure in his Tigercub and took the time to share it with everyone. He just finished his flight testing and is released from his FAA 40 hour dog leash. He then goes on his first cross country and gets rewarded as well as having to do battle with Mother Nature. Read about it on our website as well as the Tigercub Yahoo Groups page (Need to subscribe to the group to read it). The link to a copy he sent in is on the home page.

### Remembering Jonathan Gamble with Scholarship Fund

Many members have been with us long enough to remember Jonathan and how he was ripped from us a couple of years ago (2007). He was the one who talked me into taking over the newsletter from Gerald.

Jonathan made quite an impact on many people's lives and he is still able to do so with the memorial scholarship that the Winona Fire Department is managing. Two students have already been awarded funds to attend college and more have the opportunity in the future.

Our group has voted to assist by donating to the fund in the clubs name. If anyone wished to contribute personally, you can send a donation made out to the Winona Fire Department, noting it to go to the Jonathan Gamble Memorial Scholarship Fund, and mailing to the Winona Fire Department, P.O. Box 167, Winona, Ohio 44493.
