Member News & Reports

Summer is Winding Down

The leaves are starting to drop and so are the temperatures. The days available to have the perfect flight are becoming fewer and fewer. Before you know it, it will be time to start preparing your machine for that long winter's nap.

Two Meeting Left in the Year

October is the second last meeting of the year. November is the final one of the year. It is also the election of officers. We are still looking for someone to take over the position of News Letter Editor. See everyone at the meetings.

8" Pyrex Dish left Behind

At the picnic in August, there was an 8" Pyrex dish that people believe contained brownies. If this belongs to you, it will be at the October meeting. If you can't make it to the meeting, please contact an officer so we can make arrangements to get it back to you.

Sunset Strip Chili Fly-In

October is when EAA Chapter 147 has it's Chili Fly-In at Sunset Strip. One price gets you a bowl and the ability to try several different recipies. Past years have shown this to be a great gathering and the weather usually is pretty good.

September Activities and Beyond

10/11 18:00 (6:00 pm EDT)
